Re: USA v. Victor Koltun, 04 CR 872 (JG)

Dear Judge Gleeson,

I write to request that the sentencing of Victor Koltun be adjourned to the second or third week of January. As you may know, my husband John Jacobs died a week ago. I do not wish to make any appearances in court for the next month and I have been unable to adequately review and respond to Mr. Koltun's Pre-Sentence Report which I just received today.

I am requesting this lengthy adjournment because of medical and family obligations that will occur on around the December holiday season and a trial before Judge Loretta Preska in the Southern District of New York that is scheduled to begin on September 2, 2006.

Thank you for your consideration.

Respectfully yours,

*Marion Seltzer*
